The ideal candidate will be a skilled Emergency Medicine provider who is very comfortable with a full scope of Emergency Medicine. We are situated in a beautiful New England community located only 60 miles from Boston, MA. The ideal candidate will enjoy practicing in a collaborative, collegial and supportive setting with a strong emphasis on quality care and customer service.

### **Opportunity Highlights:**

- **Competitive compensation and benefit package including:**
  - **Market-leading compensation**
  - **12 hours shifts (Full-time) Average of 30 hours per week, per month**
  - **Employment benefits: Health and dental, disability insurance, life insurance, vacation**
  - **Malpractice Insurance**
  - **CME allowance / time**

### **About Heywood Healthcare:**

**Heywood Medical Group** is a non-profit physician organization affiliated with Heywood Hospital and Athol Hospital with over 70 providers specializing in primary and specialty care. Our primary care physicians focus on Pediatrics, Family Medicine, and Internal Medicine while our specialty care physicians focus on the areas of Addiction Medicine, Bariatrics, Cardiology, Endocrinology, Gastroenterology, General Surgery, Infectious

Disease, Obesity, Obstetrics/Gynecology, Orthopedics, Pain Management, Pulmonology, Rheumatology, and Urology.

**Heywood Hospital** is a state-of-the-art community hospital serving the Greater Gardner community, featuring modern imaging services, including new MRI and 64-slice CT machines. Opened in 2011, the \$37 million Watkins Center features a 21-bed emergency center, private inpatient adult medical/surgical/telemetry beds, a six-bed ICU with 24/7 eICU services, pediatric unit, mental health unit, geriatric psych unit and wound clinic. There is 24/7 specialist coverage in cardiology, OB/GYN, orthopedics, general surgery and pediatrics as well as a strong hospitalist service.

**Athol Hospital** is a non-profit 25 bed acute care critical access hospital serving nine communities in the North Quabbin Region, only 20 minutes from Heywood Hospital. This facility features a new state-of-the-art Medical Office Building, imaging services, 24/7 emergency room with 13 beds, and a swing bed program which transitions patients from acute care to sub-acute care in order to accommodate rehabilitation needs while recovering.

**Quabbin Retreat** In addressing the growing need for behavioral healthcare, Heywood Healthcare has developed a premier destination for treatment of mental health and substance misuse at its campus in Petersham – Quabbin Retreat. In partnership with local stakeholders and leading providers, Heywood Healthcare provides a full continuum of programs to expand access to adult and adolescent services and elevate the quality and caliber of care. Each program addresses core mental health and substance misuse needs, is financially accessible to patients, and provides comprehensive coordinated care. The Quabbin Retreat is a premier regional destination for behavioral health treatment driven by the wide-spread needs of the community.

Together, these organizations form Heywood Healthcare, offering comprehensive inpatient and outpatient services. We are proud of our exceptionally collegial medical staff, a supportive administrative environment and dedication to excellence and customer service. These are just some of the features that make Heywood and the Greater Gardner community an excellent place to practice medicine.
