About Heywood Healthcare:

Heywood Medical Group is a non-profit physician organization affiliated with Heywood Hospital and Athol Hospital with over 20 physicians specializing in primary and specialty care. Our primary care physicians focus on Pediatrics and Family Medicine, while our specialty care physicians focus on the areas of Cardiology, Gastroenterology, Obstetrics/Gynecology, Orthopedics, Pulmonology, and General Surgery.

Heywood Hospital is a state-of-the-art community hospital serving the Greater Gardner community, featuring modern imaging services, including new MRI and 64-slice CT machines. Opened in 2011, the \$37 million Watkins Center features a 21-bed emergency center, private inpatient adult medical/surgical/telemetry beds, a six-bed ICU with 24/7 eICU services, pediatric unit, mental health unit, geriatric psych unit and wound clinic. There is 24/7 specialist coverage in cardiology, OB/GYN, orthopedics, general surgery and pediatrics as well as a strong hospitalist service.

Athol Hospital is a non-profit 25 bed acute care critical access hospital serving nine communities in the North Quabbin Region, only 20 minutes from Heywood Hospital. This facility features state-of-the-art imaging services, 24/7 emergency room with eight beds, and a swing bed program which transitions patients from acute care to sub-acute care in order to accommodate rehabilitation needs while recovering.

Together, these organizations form Heywood Healthcare, offering comprehensive inpatient and outpatient services. We are proud of our exceptionally collegial medical staff, a supportive administrative environment and dedication to excellence and customer service. These are just some of the features that make Heywood and the Greater Gardner community an excellent place to practice medicine.
